CURRENT STATUS / SITUATION ACTUELLE

The Quality of Policing committee met On Nov 2, 2017.

- **Mobile Support Crises Unit** - Horizon and Vitalité gave an overview of the Mobile Crises Support Unit and the impact the joint initiative has had on all parties including the patients. There has been a significant reduction in the number of hours the RCMP Regular Members' have to spend in the emergency room as a result of this project.
- **Posting weekly crime maps and accompanying statistics** - The crime maps have been posted on the Web Site. The format and content will evolve over time to ensure the communities receive pertinent and easy to understand information.
- **Paperless Board Meetings - Transition** to paperless board meetings is an ongoing goal of the CRPA. There is still a considerable amount of documents printed for every board meeting that then must be collected after every meeting. after considerable discussion it was felt that all documents are available in e-format and printing is not required except for:
 - Documents circulated within 24 hours of the board meeting.
 - Documents on legal sized paper.
- **Motion:** I move that all documents required for the CRPA board be circulated in e-format only with the exception of documents sent within 24 hours of the board meeting and legal sized documents.

Respectfully submitted

Vicki Squires
Chair, Quality of Policing Committee
