**CURRENT STATUS / SITUATION ACTUELLE**

The Quality of Policing committee met On September 7, 2017.

- **Follow-up from June 27 AGM and August CRPA board meeting** – Requests for additional information on breaks and enters were received.
- The Weekly Crime Map and The Occurrence Types of Interest reports provide the requested information both graphically and numerically. (**presentation**)
- **Motion:** I move that the weekly Crime Map and the “Occurrence Types of Interest” be posted the on the website on a rolling 12 week schedule in both Official Languages:
- A Web site enquiry was received regarding police supports in place for special interest communities. Outreach activities are planned or ongoing for some, but not all of these groups. – There is an ad hoc committee made up of RCMP – Magma – and CAFI that discusses issues pertinent to those groups.
- A sub - committee will draft a process for all enquiries/requests of this nature for review at the next QPC meeting.
- Tentative meeting dates were proposed for the 2018 meeting year with the hope that quorum can be achieved at all future meetings.

Respectfully submitted

Vicki Squires  
Chair, Quality of Policing Committee
