CURRENT STATUS / SITUATION ACTUELLE

2018 was a very productive year for the CRPA. The Finance Committee, Governance Committee and the Quality of Policing Committee were very active throughout the year. I wish to thank all members for their participation.

A very important series of new and innovative Key Performance Indicators (KPIs) were developed to help the Codiac Regional RCMP better serve our community. One highlight of the year was the addition of new RCMP regular members increasing the compliment to 143 regular members. This increase in officers is part of a multi-year plan to increase law-enforcement in our community to ensure citizens safety. I'm very pleased with the participation of all the members of the CRPA board and look forward to the year ahead.

Respectfully submitted,

Charles Léger
Chairman, CRPA
