Governance Guidelines

In 2011, the Department of Public Safety issued the Police Governance and Oversight in New Brunswick Policy Guidelines (“Governance Guidelines”). These Guidelines apply to a regional policing authority, as well as to other models of police governance in use in New Brunswick. The Guidelines offer the following Vision for police governance and oversight bodies:

“To provide effective governance that facilitates innovative and responsive policing to create a safe community through the forging of strategic partnerships between the community and its police.”

Policy

The Vision of the CRP Authority is:

To provide effective governance that facilitates innovative and responsive policing to create a safe community through the forging of strategic partnerships between the police and the community.

The CRP Authority's Vision will be reviewed during each strategic planning cycle.
