

# Codiac Regional Policing Authority

**Policy #:** G-1013  
**Category:** Authority Affairs  
**Subject:** CRP Authority Evaluation  
**Date:** Insert  
**Review Cycle:** Year 5/5  
**Review Date:** 2025

## Framework

### Municipal Agreement

Article 6(5) of the 2001 agreement between the three municipalities to establish the Codiac Regional Policing Authority (CRP Authority) provides that the “Authority may adopt by-laws and policies to govern and regulate its activities.”

## Policy

In addition to monitoring the progress of the Codiac Regional Police Service (CRPS) against the CRP Authority’s strategic plan and the Annual Performance Plan (APP) and related budget, the CRP Authority will annually evaluate its own performance and effectiveness and will use the results of that evaluation to set ongoing governance improvement goals. These goals will be incorporated into the strategic and annual plans for the CRP Authority.

The Chair of the Governance Committee and the CRP Authority Chair shall be responsible for ensuring that an annual evaluation process takes place. CRP Authority members should also, on an annual basis, conduct self-assessments of their personal performance throughout the year.

See CRP Authority Template T-1013 for a sample Evaluation template.
