### CURRENT STATUS / SITUATION ACTUELLE

Welcome everyone, I am pleased with the progress of the CRPA in 2023:

- KPI progress
- 795 Main Street
- New Police Station

Over the past couple of months, I attended meetings for all our CRPA Committees, I am encouraged by the high level of engagement an initiative by our board.

As I mentioned a couple of months ago, my vision is to hear directly from our community, to know and understand better the challenges and opportunities of those involved with our regional police force. For us as a Police Authority, to be able to make better / informed decisions on the future of policing in the Codiac Region.

I look forward to hearing from our presenters this evening.

As well, I want to thank our Officer-In-Charge for the increased communication to us as a CRPA, and to our elected officials of the 3 municipalities.

Respectfully submitted,

Don Moore  
Chair, Codiac Regional Policing Authority
