CURRENT STATUS / SITUATION ACTUELLE

The Executive Committee last met on May 29, 2023. We discussed a number of topics, making sure that the individual Committee Chairs were informed of the ongoing work of the CRPA.

The topics discussed included the following:

- CRPA Strategic Plan with a Communications Plan of the CRPA, we will re-engage with Mike Randall of Portfolio Solutions for the next steps.
- The Executive will ask the Officer-In-Charge for a 3-to-5-year Strategic Plan that includes how many new officers and civilian roles are needed for adequate police coverage in our region, with specifics in each area of policing.
- As a Nominating Committee, we discussed the various roles of the CRPA, and we will be making a report to be presented to the CRPA at the AGM on June 22, 2023.
- There was an update from the Quality of Policing Committee by Scott Steeves
- There was an update from the Finance Committee by Jocelyn Chan
- The CRPA Chair was able to give an update from the Governance Committee
- We also discussed that if CRPA members would like a tour of the police station, that we would get such organized.

There are currently no recommendations from the Executive Committee at this time.

Respectfully submitted,

Don Moore
Chair, Codiac Regional Policing Authority
