CURRENT STATUS / SITUATION ACTUELLE

The Committee would like to report on several items:

1) Open Data / Portal Request

The CRPA's formal request for Open Data has been forwarded by Superintendent Jollette to J Division.

2) Update on new Communications Officer

Melissa Hachey, the new Community Relations Manager started on Monday, April 3, 2023. At the moment, she is working out of the Moncton City Hall as she is still waiting for her security clearance.

3) Update on 795 Main Street

Renovations have begun and are on schedule. Anticipated occupancy is October 1, 2023.

4) Update on the Outreach Program

Funds for this project have been re-allocated to pay for the renovation of 795 Main St. If 795 Main project stays on budget, \$75,000 could be allocated to start the Outreach Program in the Fall.

5) Update on Quarterly Reports.

The Q1 Report will cover new KPI data collected from April to June. Presentation of the Q1 stats will occur at the next QPC meeting in September.

6) Update on phone survey.

The phone survey has been completed and the data was shared with the CRPA. Still working with the survey provider to obtain survey data in form of one row equals one respondent that could be used for deeper analysis.

Respectfully submitted,

Scott Steeves
Chair, Contract and Quality of Policing Committee
